The Chris Tucker Foundation, a 501(c)3, is a non-profit organization dedicated to making a difference through implementing innovative initiatives and funding life-changing programs. Chris' vision is to make a positive global impact in youth by galvanizing community leaders and engaging a collective community to address critical needs affecting our future generations.

The foundation has remained busy in touching the lives of hundreds of young people throughout his hometown of Atlanta, GA. Aimed at inspiring youth to pursue their goals, The Dream Symposium invited Chris, along with leading thought leaders, to share with 500 elementary and middle school students the importance of perseverance. Since the foundation's inception, Chris has worked with The Boys & Girls Club to provide shoes, clothes and even gifts during the holiday season. Additionally, his efforts have expanded into meaningful causes around reducing homelessness, global health disparities and poverty.

Chris has long been known for his humanitarian efforts and has funded a number of local organizations and charities in his hometown of Atlanta, GA. He's also recognized nationally and globally for his support of those organizations or initiatives whose goals and missions focus on youth development and welfare. Additionally, the foundation has partnered with Camp Spotlight, a 4-week comprehensive performing arts camp located in Decatur, GA. It not only provided financial support for the camp but also provided need-based scholarships for participating youth as well as sponsored “lunch and learn” sessions for campers featuring industry professionals and community leaders.

2020 was a challenging year, to say the least, and the Chris Tucker Foundation made it a goal to help as much as possible, as children all over were interrupted by the pandemic. Our organization helped feed children during Spring Break of 2020 with Operation Lunchbox in Henry County. Beyond his personal accomplishments, Chris is most proud of the work of The Chris Tucker Foundation. He is now positioning the foundation to make an even bigger impact at home and internationally and would love your support to help in this effort to make a difference and change children's lives. Please consider joining us as a valued corporate partner on our journey to change the world!

Please join us as a 2022 corporate partner as we work to change more lives across the nation. We thank you in advance for your continued support and consideration. I can be reached via e-mail at tammye_stocks@yahoo.com or by cell at 404-275-1056. To view more of the work of the foundation, please visit WWW.CHRISTUCKERFOUNDATION.ORG.

ABOUT THE CHRIS TUCKER FOUNDATION

MISSION STATEMENT
The Chris Tucker Foundation is a non-profit organization dedicated to making a positive impact in the lives of youth and families through implementing innovative initiatives and funding life-changing programs.

VISION STATEMENT
To make a positive impact in the lives of youth by galvanizing community leaders and corporate partners and engaging a collective community to address critical needs affecting today's generation of young people.
ABOUT THE CHRIS TUCKER FOUNDATION

Established in 2006, the Chris Tucker Foundation is a non-profit organization that is dedicated to making a positive impact among youth, in the United States and abroad, by creating and funding innovative life-changing programs. Each year the Chris Tucker Foundation funds a number of local community organizations and charities whose goals and missions focus on youth development and welfare. Known for his humanitarian work around the world, Chris has made charitable contributions to several local organizations and charities in his hometown of Atlanta, Georgia. His philanthropy also spans globally as he supports charities that address the health and education needs of youth. Chris is now positioning his foundation to make a bigger impact at home and internationally.
MEETING MEDICAL NEEDS

In 2020, Anika Walters experienced a life changing accident, while on vacation in Jamaica. Walters, along with four men, was involved in an accident on the way to the airport. Walters was the lone survivor. The mother of six suffered critical injuries, and her family had been trying to get her home to London for nearly a month. The Chris Tucker Foundation stepped in, and Walters was transferred to a hospital where she continued her road to recovery. The Foundation has also been able to meet the medical needs of several people in the community, including two men who were out of work due to pending cancer surgery.

YOUTH SCHOLARSHIPS

The Chris Tucker Foundation has made it possible for young people to pursue their goals by providing financial assistance for higher education opportunities. The Foundation has also contributed financially to extracurricular programs like the Welsey Lakes Elementary School Beta Club, making it possible for the team to travel out of state to participate in national competition.
CAMP SPOTLIGHT

Camp Spotlight is a musical theatre program that teaches intensives of modern and classical dance, singing, acting, musical production, and technical skills to build the performing confidence of youth. In 2017, The Chris Tucker Foundation partnered with Camp Spotlight for their month-long performing arts summer camp. Youth ages 7 - 17, male and female, are trained by award-winning theatrical performer Stepp Stewart along with top industry consultants and producers. Chris Tucker and the foundation worked directly with nearly 100 Atlanta metropolitan campers who perform at the Porter Sandford Performing Arts Center for nearly 400 guests during the students’ culminating event.
Thanks to the generous support and donation from The Chris Tucker Foundation, we were able to provide the varsity basketball team with an experience of a lifetime. Chris Tucker is not only a graduate of Columbia High School but is our biggest supporter! His foundation continues to change the lives of the young people in the neighborhoods he grew up in as a kid. We can't thank him enough for his generosity and support.

-Dr. Phillip McCrary, Columbia High School

The Chris Tucker Foundation made it possible for Camp Spotlight campers to go behind the scenes at Blackhall Studios to see a major motion picture being filmed in Georgia. It was truly a dream come true for our campers and an experience they will never forget. We are eternally grateful for the support provided by The Chris Tucker Foundation.

-Stepp Stewart

Thank you so much. We appreciate all you have done for our program. We don't make it this far without you guys’ financial support.
